Ceremonies For Grads To Change

Several changes have been made in the Commencement program this year because of the increasing number of graduates receiving diplomas, President Stewart H. Smith said.

President Smith and the Commencement and Honorary Degrees Committee approved these changes in an effort to streamline the program as much as possible.

The following changes have been made: the academic deans will read only the names of the graduates who are present to receive diplomas; President Smith will change his position on the stage so that he will be able to give the diplomas to the graduates as soon as their names are read; the deans will read the next name as soon as the graduate receives his diploma; Luther Bledsoe, registrar and director of admissions, will hand the diplomas to the President as soon as the names are called; and only the members of the administrative staff who participate in the program will be seated on the stage.

Advance Fall Signup Slow

Advance registration for the fall semester has been "disappointingly small", says Registrar Luther Bledsoe.

He urged students to register today and tomorrow and reminded that fees aren't due until Aug. 19.

"I think some of the students have not realized that fees are not payable until then," Mr. Bledsoe said. "This time lapse gives them a chance to save the money they'll need to pay these fees."

Advance registration continues until 4 p.m. today and from 8:15 to 11:30 a.m. tomorrow.

Mr. Bledsoe added:

"If students wait until next fall to register they'll find that some of the courses are closed. We are anticipating a heavy enrollment then."

New Title Is Won By Jennie Windsor

Jennie Windsor, Huntington senior, "Miss Marshall," and a Forest Festival princess, has added another title. She has been selected the Collegiate Clean-Up Queen of West Virginia.

She will be crowned tomorrow morning in the governor's office by Gov. W. W. Barron who initiated the state-wide clean-up program.

LOAN CHECKS READY

National Defense Student Loan checks for the summer are now available and may be picked up in the Registrar's Office.

Boning Up For Exams

DON'T LET FINAL EXAMS rattle you, or you may end up a mere skelton of your former self. The student who finds a quiet, secluded place to study should not forget how to unlock the door. This scholar was last seen shortly before a Latin exam in 1955.

Chief Justice Will Be Delayed Until Midsummer Says Editor

Due to unforeseen difficulties, the 1961 yearbook will not be issued until the last week of June, says Barry Cohen, Wheeling junior and Chief Justice editor.

This year's Chief Justice will be the largest and most colorful to date. It will consist of 336 total pages, four pages of full color, 17 pages of spot color, and 65 pages of school activities.

Those students living in town may pick up their copy at the Chief Justice office, while those wishing to have their's mailed can make a deposit at the cashier's office.

This year's yearbook will be dedicated to a member of the university administration, and the announcement of the dedication will be made at the time the yearbook is distributed.

Next year's Chief Justice editor will be Ernestine Monday, Nitro sophomore. Randall Bowles,

St. Albans freshman, will be managing editor and Tom Sutton, Weirton sophomore will be business manager. All students interested in working on this publication should contact a member of the new staff.

Recommendation Goes To Board To Hire Retiring Army Colonel

By SUSAN ATKINSON
Editor-in-Chief

The recommendation that Col. T. Craig McKee become the first full-time university physician has been sent to the West Virginia State Board of Education, President Stewart H. Smith announced Wednesday.

President Smith said, "Although Dr. Charles Hagan has given excellent service, it has had to be on a part-time basis. With the coming of Dr. McKee, we will be able to provide a much more complete student health program. Among other extended services, our students will have more opportunities for personal counsel on health matters. Dr. McKee will also be available for health talks to dormitory, fraternity, sorority and class groups."

The appointment of Dr. McKee will become effective on Aug. 15 if the board approves the recommendation. Dr. McKee will retire from the U.S. Army Medical Corps July 31. He is presently stationed at Carlisle, Penn.

Dr. McKee attended the University of Pittsburgh. He received his B.S. degree from West Virginia University and his M.D. degree from the University of Pennsylvania. He was in private medical practice for 17 years and serv-

ed as an Army physician for 14 years.

He is a past president of the Kiwanis Club, a member of the Executives Club, the American Medical Association, and the Pennsylvania Medical Society.

7 Summer Workshops, Institutes To Be Held

Seven summer institutes and workshops are scheduled for the 1961 summer session.

A program for graduate study in school librarianship is being offered for the fourth time this summer, and is designed to assist the prospective and present school

librarians in becoming certified teacher-librarians.

A graduate program for teachers in secondary schools will be offered, which provides for a minor emphasis on education and more teaching fields. A similar a major concentration in one or program will be offered to primary school teachers.

A graduate program for school administrators will be offered, and a full schedule of courses will be given during the summer session to fulfill requirements leading to a Master of Arts Degree.

A summer program for superior and talented high school students will be offered to exceptional high school students who have completed their junior year.

Workshops will be held in the following fields: audio-visual aids in learning, June 5-25; geography for teachers, June 26-July 14; field geography of West Virginia, July 17-August 2; elementary music workshop, June 5-16; junior and senior high music workshop, June 19-30 and July 3-14; and an Afro-Asian States and United States foreign policy workshop, June 5-23.

A guidance and counseling institute will be held June 5-Aug. 4, and is designed to improve the skills of secondary counselors. An institute in school administration and supervision will be held June 5-Aug. 19.

DELEGATE NAMED

Virginia Lee, associate professor of journalism, will be a corporate delegate representing Marshall University at the national convention of the American Association of University Women in Washington, D.C., June 19 to 23.

Each college and university whose graduates are eligible to membership in the Association is entitled to one delegate. Prof. Lee was appointed by President Stewart H. Smith.

bates this year. They included Lois Brown, Huntington sophomore; Tom Dunfee, Huntington sophomore; Aubrey King, Iaeger sophomore; Tom Ross, Wheeling junior, and Sharon Woods, Mullens senior.

Frances Madachy, Huntington senior, received the senior honor pin of Delta Omicron, international professional music fraternity, recognizing the senior member with the highest scholastic average. Joan Hart, Hamlin junior and president of the club, made the presentation.

Parthenon Summer Help Sought; Last Regular Edition Is Today

The summer Parthenon staff will be made up of all students enrolled in journalism courses.

Johnny Hines, Huntington senior, will be editor-in-chief for the six weekly issues published during both summer terms, beginning with the June 15 issue and ending Aug. 17.

This is the last regular edition of The Parthenon. The next one will be published on Sept. 15.

"We're particularly interested in getting teachers on the staff during the summer," Prof. W. Page Pitt, Journalism Department chairman, said. "They can get practical newspaper experience by taking one of two courses—Journalistic English 427 or 527, or Feature Writing."

Journalistic English will be offered daily from 10:50 to 11:50 a.m. with laboratories arranged. Feature Writing is scheduled daily from 9:40 to 10:40 a.m.

EVERY COLLEGE STUDENT needs this book

to increase his ability to learn

An understanding of the truth contained in Science and Health with Key to the Scriptures by Mary Baker Eddy can remove the pressure which concerns today's college student upon whom increasing demands are being made for academic excellence.

Christian Science calms fear and gives to the student the full assurance he needs in order to learn easily and to evaluate what he has learned. It teaches that God is man's Mind—his only Mind—from which emanates all the intelligence he needs, when and as he needs it.

Science and Health, the textbook of Christian Science, may be read or examined, together with the Bible, in an atmosphere of quiet and peace, at any Christian Science Reading Room. Information about Science and Health may also be obtained on campus through the

Parents' Weekend Said Most Successful Ever

This year's Parents' Weekend was termed, "The most successful we ever had," by John Sayre, director of Development and Alumni Affairs and co-ordinator of Parents' Weekend.

This is verified by this year's statistics as compared with last year's. This year between the hours of 10 a.m. and 6 p.m. there were 690 parents and relatives who officially registered representing at least 310 families. Several others came in after this.

This is compared with the 180 who registered last year representing 60 families.

The performance of "Annie Get Your Gun" drew 700 parents on Saturday night. During the three student performances there were 1,560 attending. Mr. Sayre said, "Without a question it was a huge success in every respect. We have received a continuous flow of compliments from town residents, parents, students, faculty and staff members.

TILL WE MEET AGAIN

Seven years now I have been writing this column for the makers of Marlboro Cigarettes, and each year when I come to the last column of the year, my heart is gripped by the same bittersweet feeling. I shall miss you sorely, dear readers, in the long summer days ahead. I shall miss all you freckle-faced boys with frogs in your pockets. I shall miss all you pig-tailed girls with your gap-toothed giggles. I shall miss you one and all—your shining morning faces, your apples, your marbles, your jacks, your little oilcloth satchels.

But I shall not be entirely sad, for you have given me many a happy memory to sustain me. It has been a rare pleasure writing this column for you all year, and I would ask every one of you to come visit me during the summer except there is no access to my room. The makers of Marlboro Cigarettes, after I missed several deadlines, walled me in. All I have is a mail slot into which I drop my columns and through which they supply me with Marlboro Cigarettes and such food as will slip through a mail slot. (For six months now I have been living on after-dinner mints.)

for six months now I have been living on after-dinner mints

I am only having my little joke. The makers of Marlboros have not walled me in. They could never do such a cruel thing. Manly and muscular they may be, and gruff and curt and direct, but underneath they are men of great heart and sweet, compassionate disposition, and I wish to take this opportunity to state publicly that I will always have the highest regard for the makers of Marlboro Cigarettes, no matter how my lawsuit for back wages comes out.

I am only having my little joke. I am not suing the makers of Marlboros for back wages. These honorable gentlemen have always paid me promptly and in full. To be sure, they have not paid me in cash, but they have given me something far more precious. You would go far to find one so covered with tattoos as I.

I am only having my little joke. The makers of Marlboros have not covered me with tattoos. In fact, they have engraved no commercial advertising whatsoever on my person. My suit, of course, is another matter, but even here they have exercised taste and restraint. On the back of my suit, in unobtrusive neon, they have put this fetching little jingle:

Are your taste buds out of killer?
Are you bored with smoking, neighbor?
Then try that splendid Marlboro filter,
Try that excellent Marlboro fleighbor!

On the front of my suit, in muted phosphorus, are pictures of the members of the Marlboro board and their families. On my hat is a small cigarette girl crying, "Who'll buy my Marlboros?"

I am only having my little joke. The makers of Marlboros have been perfect dolls to work for, and so, dear readers, have you. Your kind response to my nonsense has warmed this old thorax, and I trust you will not find me soggy if in this final column of the year, I express my sincere gratitude.

Have a good summer. Stay healthy. Stay happy. Stay loose.

© 1961 Max Shulman

The makers of Marlboros and the new unfiltered king-size Philip Morris Commander have been happy to bring you this uncensored, free-wheeling column all year long. Now, if we may echo old Max: Stay healthy. Stay happy. Stay loose.

Giving Program Ahead Of 1960

The Marshall University Annual Giving Program appears to have a good chance of surpassing last year's program by 50 percent, according to John Sayre director of development and alumni affairs.

Under the program, Marshall alumni give money each year for the betterment of the University. This is the second year that this program has been in effect and is running about 30 percent ahead of last year.

During the 59-60 year, 443 gifts were received for a total of \$4,400. This year 565 gifts have been received so far for a total of \$5,800. The goal for this year is a 50 percent improvement which would be at least 660 gifts and \$6,600. Two factors involved in the increase are the name change and the 11 alumni chapters which have been formed.

CHEERLEADERS PICKED

Cheerleaders for the 1961-62 season were approved Wednesday by the Senate.

The regular lineup remains the same as last year. Out of 800 points the following received the highest points: Suzanne Tamplin, Madison junior; Sherry O'Shea, Huntington sophomore; Alyn Childers, Huntington junior, Ruth Fuller, Huntington sophomore; Carol Ann Wilkes, Huntington sophomore, and Sharon Haselip, Huntington sophomore.

Alternates are Barbara Charles, Huntington sophomore, and Donna Jordon, Huntington freshman.

DR. FROOD'S THOUGHT FOR THE DAY: *In college, it isn't who you know that counts—it's whom.*

Dear Dr. Frood: I have a confession. All my life I have been trying to learn how to whistle. I just can't. Please, will you tell me how to whistle?

Puckered

DEAR PUCKERED: Watch the birds. Notice how they gather a pocket of air deep within the breast, then push thin jets of this air into the throat, through the larynx, up and around the curled tongue, and then bounce the air from the roof of the mouth out through the teeth (which act like the keyboard on a piano). Practice this. In no time your friends will be amazed at the beautiful, warbly trills that flow from your beak.

Dear Dr. Frood: I just can't seem to get in step with the rest of the students here. They enjoy parties, dancing, folk singing and dating. None of these things interest me at all. Am I behind the times or what?

Left Out

DEAR LEFT: You're in the right times; you're just one of our squares.

Baseball Coach Sees Better Season In '62

Big Green To Wind Up Activity Today, Tomorrow Against OU

By ROGER HUTCHISON
Sports Editor

The Big Green baseball team will wind up the season with home games against Ohio University today and tomorrow.

Marshall won its last two games against Rio Grande College last Tuesday. Jim Gallion was credited with the first win, 3 to 1, and the winning pitcher in the second game was Bob Burgess, who came on in relief.

Marshall goes into the final round of play with a 8-10 and 1 record for the season. Dale Lynd is the leading Big Green pitcher with five wins and three losses thus far. Lynd will start the game this afternoon and Carl Little is slated to start tomorrow.

Looking back over the season, Coach Alvis Brown said that there were several factors to be considered when looking at the final win-loss record.

Coach Brown stated: "The biggest factor has been young pitchers. After Little hurt his arm, we had an all rookie staff. Little was our only veteran.

"Lack of experienced pitchers was not the only thing." Some of the older boys, who did well last year, didn't hit as well this year. Consequently we had to resort to the younger sophomore boys. All of the others schools in the conference have freshman teams but Marshall's players start as sophomores and therefore don't

have the experience."

Coach Brown added: "We were rained out in both conference games with Toledo which we could possibly have won and thereby helped our conference record."

Looking ahead to next year's season, Coach Brown said, "Our team next year should be a pretty good one. We have a good bunch of sophomores this year and some juniors who will be back. This will be a good nucleus. There are also a couple of freshmen pitchers that are coming up. We should also be better next year because we will have a practice field and a field to play on. We didn't have a practice field this season and the players didn't have a real chance to get ready. If you don't practice you won't be as good as you should be. Lack of a practice field is really some justification for some of the errors we made this year."

PKAs Are Water Polo Champs; Independent Wins Tennis Title

Two more championships have been added to the growing list in intramurals. PKA picked up the championship in water polo by

defeating Sigma Phi Epsilon four to one. A championship has been posted in tennis singles by Independent Jon McComas who defeated Millard Fleming 7-5, 7-5.

Medal winners in the water polo championship were; Scotty Peavler (captain), Fred Theierl, Jim Lester, Dick Gavigan, Dennis Shobe, Rucker Wickline, Sam Lewis, Bill Wilson, Ralph May, Bob Hamlin, Jim Raines, Dick Spindle, Jim Hamilton, Rule Smith, Ralph McBrayer, Charles Brubeck and Benny Williams.

Intramural softball's last games before the championship game were played last Monday and Tuesday. On Monday, Sig Ep No. 3 lost to PKA No. 1, 9 to 3; Sig Ep No. 2 lost to Lambda Chi Alpha, 10 to 2, and TKE No. 1 fell at the hands of the Hillbillies, 15 to 9.

On Tuesday, Sig Ep No. 1 returned to beat Lambda Chi Alpha, 15 to 5, and the Hillbillies rolled over PKA No. 1 by a score of 14 to 7.

6 Elected Officers In Women's Dorm

Laidley Hall, women's dormitory, has elected officers for next year.

They are: Brenda K. Pollock, Wheeling junior, president; Donna Terry, Ashland, Ky., junior, first vice president; Jackie Steele, Nitro sophomore, second vice president; Sue Trent, Baileysville sophomore, secretary; Addie Sowers, Weirton freshman, treasurer, and Linda O'Dell, Hurricane freshman, chaplain.

WANT TO SELL BOOKS?

The University Bookstore will purchase textbooks from students next week, Manager Percy Gallo-way announced.

Speedster Wins - But It Doesn't Count

A FRESHMAN WINS, but doesn't win. Robert Watts, Marshall freshman, broke the tape in the 100-yard dash against Morehead, but as a freshman he was ineligible and was running for the experience. Marshall's Malcolm Price (far left) took third place.

Senior Getting 'Jumpy'; Plans Parachute Club

By RICK TOLLEY
Staff Reporter

Some 344 years ago a young Italian in Venice risked his life to try the first parachute jump. Today, in 1961, Huntington senior Ronald Simonton is in

the process of organizing a club to do the same thing, but just for the sport of it.

Simonton already has purchased such equipment as a crash helmet, flight suit and jump boots, and hopes to make his first jump early this summer. He says that several students—as well as a number of people in the Tri-State area—are interested in the parachuting sport.

The "sky-divers" club is in no way connected with Marshall, although there are some colleges and universities in the country which sponsor such clubs and compete inter-collegiately with them.

The group plans to do its jumping in the broad valleys farther up the Ohio River.

"Static lines, which automatically open the parachute, will be used the first few jumps," Simonton says, "because most accidents are caused by men 'freezing' from fear or shock and not opening the chute."

Other equipment for the aspiring "daredevil" consists of an altimeter, stop watch, and, of course, a parachute. It costs about \$130 complete. Also, if the main parachute does not open, the jumper has a reserve "chute" for emergencies.

Who knows, maybe "Swede" Gullickson will include parachuting in his intramural program next year?
